Dear Sirs/Madams:

I am a 26 year old male and not happy about the fact that the big media conglomerates are trying to get rules changed that would allow them to dictate what I can read, see on TV or hear on the radio.

I thank my lucky stars that I was born in the United States that has a Constitution that protects my rights as a citizen.

By bending to the media giants I somehow feel that I am losing one of my rights. If the media giants get away with this, what other group will try somewhere else to take away another right.

I URGE YOU NOT TO CHANGE THE RULES.

Thank you.

Yours truly,

Mark Evan
